

## **Equal Opportunity Disclosure**

The Civil Rights Act of 1964 was passed to ensure the people of the United States equal treatment, rights and opportunities regardless of race, color, or national origin. Title VI of that Act prohibits discrimination in federally funded programs.

"No person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance."

Included under National Origin is discrimination based on a person's inability to speak, read, write, or understand English. Persons whose primary language is not English can be Limited English Proficient or "LEP". These individuals may be entitled to language assistance with respect to a particular type of service, benefit, or encounter. All programs and operations of entities that receive assistance from the federal government must comply.

It is important that all applicants and recipients of services know about their rights under the law, and that employees of Moser Speech Therapy Services as well as other agencies, organizations, institutions, and contractors providing state support understand what the law requires. Any person who applies for or receives any benefit or service provided by Moser Speech Therapy may file a complaint if he or she has had unfair or different treatment because of race, color, or national origin.

Complaints must be filed in writing with the Title VI representative of the location of the alleged discrimination i.e. Moser Speech Therapy Services; or with the appropriate regional or central office of the Department of Mental Health and Substance Abuse Services; or with the Office of Civil Rights, 101 Marietta Tower, Suite 2706, Atlanta, Georgia 30323.
